## Key Product Features & Benefits

- **Vortex Vacuum Technology**  
Vortex vacuum technology provides quick and efficient consumption of larger debris such as gum nuts, twigs and eucalyptus leaves whilst maintaining maximum suction throughout the cleaning cycle.
- **Energy Efficient**  
The Zodiac V1 operates off only 70 watts/hour (equivalent to a household light bulb) which on average is 50% less than the average robotic pool cleaner. It's good for the environment and easy on the wallet!
- **Quick Release Filter Canister**  
With the Zodiac V1, the quick release filter canister is easy to use and allows you to clean and remove debris in a matter of minutes.
- **Compact Design**  
The compact design of the Zodiac V1 enables it to reach the more difficult zones of the pool. Weighing only 6 Kg, the V1 is easy to handle and store!
